PROFESSIONAL SUMMARY

Visual and Interaction Designer with hands-on experience across motion graphics, brand collateral, and Figma-based UI/UX prototyping. Comfortable owning a project end to end — from client brief to production-ready asset — using Adobe Creative Suite, Figma, and Autodesk Maya. Looking to bring that range to a product, marketing, or entertainment design team.

EXPERIENCE

Graphic & Motion Design Intern — Dixit Global Tech IT Solutions

Jan 2026 – Feb 2026

Remote (Bengaluru, India)

- Produced vector graphics and motion design assets in Illustrator and After Effects for global marketing campaigns, delivering [X] finished assets across [X] client requests within a 6-week engagement.
- Translated technical, multi-stakeholder briefs into production-ready visual collateral while maintaining strict adherence to corporate brand guidelines, with zero major revision cycles on [X] of deliverables.
- Coordinated with an international, asynchronous team across [X]-hour time zone gaps, consistently meeting fast-paced production deadlines in an agile workflow.

SELECTED PROJECTS

Senior Thesis: Animated Short Film

TCNJ Interactive Multimedia

- Directed and produced an original animated short, handling 3D modeling and character animation in Autodesk Maya and 2D compositing/VFX in After Effects.
- Built the full production pipeline solo — composition sequencing, motion blur, turbulent particle VFX, and synchronized sound design — from concept to final render.

DreamStream — Interactive Dashboard Prototype

Figma Interface Architecture

- Designed a high-fidelity, interactive dashboard for gaming/streaming audiences, including live chat feeds, sidebars, and layered UI panels.
- Built a modular component library with multi-path branching logic and button-state variants, cutting prototype iteration time and keeping flows consistent across [X] screens.

Secret Lives of Colors & Essence of Art

Motion Graphics

- Composited multi-layered 3D parallax scenes from raw image assets using CC Cylinder text effects and layered depth passes.
