IT/Tech Skills

3D Modeling

Autodesk Maya (Modeling, Rigging, Animation, Rendering), Blender (Mesh Editing, Armature Retargeting/Baking).

Motion Graphics/Video

Adobe Animate (Character/Lip-Sync/Cycle Animation), Adobe After Effects (VFX, Motion Blur, Rotoscoping, Compositing), Premiere Pro, Clipchamp, iMovie.

Design & UI/UX

Adobe Illustrator, Photoshop, Figma/XD (UI/UX Design), Canva (Visual Design), Digital Narrative.

Web Dev & Coding

HTML, CSS (Layout/Margins), Java, OpenProcessing (Computing), Phoenix Code

Audio Production

Audacity, Vocal Remover, TimeStretch (Pitch/Tempo Adjustment, Audio Splicing/Trimming).

Data & Productivity

Excel/Google Sheets (Advanced Formulas, Pivot Tables, Charts, Analytics), PowerPoint/Slides, Gemini AI (Technical Problem Solving).

IT & Hardware

Hardware Diagnostics, iOS/Device Troubleshooting, Mobile Asset Capture, FileZilla (FTP), Memory/SIM Card Optimization.

EXPERIENCE

Dixit Global Tech IT Solutions Private Ltd., Remote (Bengaluru, India) - Internship

JANUARY 2026 - FEBRUARY 2026

- **Client Solutions:** Engineered high-impact vector graphic assets and motion design media using Adobe Illustrator and After Effects to elevate global brand messaging.
- **Global Collaboration:** Partnered seamlessly across international time zones in an asynchronous environment to meet precise structural milestones under tight production deadlines.
- **Information Synthesis:** Translated complex technical client requests into production-ready visual assets, demonstrating strong digital agility and cross-functional communication.

EDUCATION

The College of New Jersey, Ewing, NJ - Bachelor of Arts (B.A.) in Interactive Multimedia

EXPECTED AUGUST 2026

GPA: 3.288 | Dean's List Spring 2025 | SPECIALIZATION: DIGITAL MEDIA, GRAPHIC DESIGN, AND MOTION GRAPHICS

Mercer County Community College, West Windsor, NJ - Associate of Applied Science (A.A.S) in Game Design

SEPTEMBER 2021 - MAY 2024

GPA: 2.871 | SPECIALIZATION: CODING, VISUAL DESIGN, DIGITAL NARRATIVE, UI/UX DESIGN AND GAME DESIGN

PROJECTS

Secret Lives of Colors & Essence of Art | Motion Graphics | December 2024

Composited multi-layered 3D backgrounds from raw image layers, executing 3D parallax scrolling and CC Cylinder text effects solo.

DreamStream UI Framework | Figma Interface Architecture | December 2025

- Architected a high-fidelity streaming dashboard prototype simulating dynamic chat feeds, persistent sidebars, and interactive layouts.
- Programmed multi-path interactive branching logic, button states, and modular component libraries to optimize user flows.

ABO-X030303 | TCNJ IMM Senior Thesis | May 2026

- Designed an animated film comprising various animation styles such as 2D and 3D using Autodesk Maya for Modeling and 3D Animation, After Effects for 2D animation and compositing.
- Executed advanced composition sequencing, motion blur, turbulent VFX particles, and synchronized soundtrack layers in After Effects.

AWARDS

Academic Scholarship & Book Award: Delta Sigma Theta Trenton Alumnae (2021, 2022)
