PROFESSIONAL SUMMARY

Detail-oriented Graphic and Visual Designer with a strong technical background in vector asset creation and motion graphics, and UI/UX design. Proven experience producing client-ready marketing collateral and digital media assets using Adobe Creative Suite and Figma. Highly skilled in translating complex briefs into clean, brand-consistent visual layouts while maintaining agility across collaborative production pipelines.

EDUCATION

The College of New Jersey

Expected August 2026

Bachelor of Arts (B.A.) in Interactive Multimedia | Dean's List Spring 2025 | GPA: 3.288

Ewing, NJ

Specialization: Digital Media, Graphic Design, Motion Graphics

Mercer County Community College

May 2024

Associate of Applied Science (A.A.S.) in Game Design | GPA: 2.871

West Windsor, NJ

Specialization: Game Design, UI/UX Design, Visual Design, Digital Narrative, Coding

PROFESSIONAL EXPERIENCE

Dixit Global Tech IT Solutions Private IT. Ltd

Jan 2026 – Feb 2026

Graphic & Motion Design Intern

Remote, Bengaluru, India

- Produced high-quality vector graphic assets and promotional motion design media using Adobe Illustrator and After Effects to support global marketing initiatives.
- Translated complex, technical client requests into polished, production-ready visual collateral while adhering strictly to established corporate brand guidelines.
- Collaborated seamlessly across international time zones in an agile, asynchronous team environment to consistently meet fast-paced production deadlines.

PROJECTS

ABO-X030303

TCNJ IMM Senior Thesis

- Designed an animated film using Autodesk Maya for 3D modeling and character animation, and After Effects for 2D compositing and VFX integration.
- Executed advanced composition sequencing, motion blur, turbulent VFX particles, and synchronized soundtrack layers across a full production pipeline.

DreamStream UI Framework

Figma Interface Architecture

- Architected a high-fidelity interactive dashboard prototype simulating dynamic chat feeds, sidebars, and layered UI layouts targeted at gaming and streaming audiences.
- Programmed multi-path branching logic, button states, and modular component libraries to optimize interactive user flows.

Secret Lives of Colors & Essence of Art

Motion Graphics

- Composited multi-layered 3D backgrounds from raw image layers, executing 3D parallax scrolling and CC Cylinder text effects.

AWARDS & HONORS

- Academic Scholarship & Book Award: Delta Sigma Theta Trenton Alumnae (2021, 2022)

SKILLS & SOFTWARE

- 3D Modeling & Animation:** Autodesk Maya (Modeling, Rigging, Animation, Rendering), Blender (Mesh Editing, Armature Retargeting/Baking)
- Motion Graphics & VFX:** Adobe After Effects (VFX, Motion Blur, Rotoscoping), Adobe Animate, Premiere Pro, Clipchamp
- Design & UI/UX:** Adobe Illustrator, Photoshop, Figma/XD, Canva, Digital Narrative
- Web Dev & Coding:** HTML, CSS, Java, OpenProcessing, Phoenix Code
- Audio Production:** Audacity, Vocal Remover, TimeStretch (Pitch/Tempo Adjustment, Audio Splicing)
- Data & Productivity:** Excel/Google Sheets (Formulas, Pivot Tables, Analytics), PowerPoint
- IT & Hardware:** Hardware Diagnostics, iOS/Device Troubleshooting, FileZilla (FTP)
- AI Tools:** ChatGPT, Copilot, Gemini, Grok
