PROFESSIONAL SUMMARY

Visual and Interaction Designer with hands-on experience across motion graphics, brand collateral, and Figma-based UI/UX prototyping. Experienced in owning projects end-to-end from client briefs to production-ready assets using Adobe Creative Suite, Figma, and Autodesk Maya. Seeking to bring cross-functional design expertise to a product, marketing, or entertainment team.

EXPERIENCE

Graphic & Motion Design Intern | *Dixit Global Tech IT Solutions* (Remote - Bengaluru, India)

Jan 2026 – Feb 2026

- Produced 2D motion graphic scenes and vector assets in After Effects and Illustrator for promotional campaigns—including an animated explainer video and a 9-tile social media brand grid—delivering over 20 finished visual deliverables within a 6-week engagement.
- Translated technical IT service offerings into production-ready visual collateral adhering strictly to corporate brand guidelines, maintaining zero major revision cycles across all final graphic and video assets.
- Coordinated with an international, asynchronous team across multi-hour time zone gaps to meet fast-paced deadlines in an agile workflow.

SELECTED PROJECTS

Senior Thesis: Animated Short Film | *TCNJ Interactive Multimedia*

- Directed and produced an original animated short, executing 3D modeling and animation in Autodesk Maya alongside 2D compositing and VFX in After Effects.
- Built a complete solo pipeline encompassing composition sequencing, motion blur, turbulent particle VFX, and synchronized sound design.

DreamStream – Interactive Dashboard Prototype | *Figma Interface Architecture*

- Designed a high-fidelity dashboard for streaming audiences featuring live chat feeds, sidebars, and layered UI panels.
- Built a modular component library with interactive state variants, streamlining overall design iteration across desktop and mobile screens.

Secret Lives of Colors & Essence of Art | *Motion Graphics*

- Composited multi-layered 3D parallax scenes from raw image assets utilizing CC Cylinder text effects and layered depth passes.

EDUCATION

The College of New Jersey — B.A., Interactive Multimedia | *Expected Aug 2026*

Ewing, NJ | Dean's List | Specialization: Digital Media, Graphic Design, Motion Graphics

Mercer County Community College — A.A.S., Game Design | *May 2024*

West Windsor, NJ | Specialization: Game Design, Visual Design, Digital Narrative, Coding
