EDUCATION

The College of New Jersey

August 2026

Bachelor of Arts (B.A.) in Interactive Multimedia | Dean's List Spring 2025 | GPA: 3.334

Ewing, NJ

Specialization: Digital Media, Graphic Design, Motion Graphics

Mercer County Community College

May 2024

Associate of Applied Science (A.A.S.) in Game Design | GPA: 2.871

West Windsor, NJ

Specialization: Game Design, UI/UX Design, Visual Design, Digital Narrative, Coding

PROFESSIONAL EXPERIENCE

Dixit Global Tech IT Solutions Private IT. Ltd

Jan 2026 – Feb 2026

Graphic & Motion Design Intern

Remote, Bengaluru, India

- Produced 2D motion graphic scenes and vector assets in After Effects and Illustrator for promotional campaigns—including an animated explainer video and a 9-tile social media brand grid—delivering over 20 finished visual deliverables within a 6-week engagement.
- Translated technical IT service offerings into production-ready visual collateral adhering strictly to corporate brand guidelines, maintaining zero major revision cycles across all final graphic and video assets.
- Coordinated with an international, asynchronous team across multi-hour time zone gaps to meet fast-paced deadlines in an agile workflow.

PROJECTS

Secret Lives of Colors | *Motion Design*

- Composited multi-layered 3D backgrounds from raw image layers, executing 3D parallax scrolling and CC Cylinder text effects.
- Expressed narrative themes through dynamic visual storytelling, leveraging Microsoft Paint for asset generation and Adobe After Effects for keyframe animation, timing, and scene composition.

IICT Plan - The Star of David | *2D Design* | *3D Design*

- Modeled structural geometry, set up camera composition, and mapped custom materials in **Autodesk Maya** using vector assets created in **Adobe Illustrator**.
- Executed post-production compositing in **Adobe Photoshop**, combining rendered 3D scenes with bilingual typography and graphic overlays to establish a clear visual hierarchy.

ABOX03³ | *Senior Thesis* | *Motion Design* | *2D Design* | *Multimedia Design*

- Directed and produced an original animated film, which executed 3D modeling and animation in Autodesk Maya alongside 2D compositing and VFX in **After Effects**.
- Built a complete solo pipeline encompassing composition sequencing, motion blur, turbulent particle VFX, and synchronized sound design.
- Modeled and retopologized custom hard-surface assets from primitive geometries, utilizing clean edge-loop topology and custom UV unwrapping for detailed texturing.

SKILLS & SOFTWARE

- 3D Modeling & Animation:** Autodesk Maya (Modeling, Rigging, Animation, Rendering), Blender (Mesh Editing, Armature Retargeting/Baking)
- Motion Graphics & VFX:** Adobe After Effects (VFX, Motion Blur, Rotoscoping), Adobe Animate, Premiere Pro, Clipchamp
- Design & UI/UX:** Adobe Illustrator, Photoshop, Figma/XD, Canva, Digital Narrative
- Web Dev & Coding:** HTML, CSS, Java, OpenProcessing, Phoenix Code
- Audio Production:** Audacity, Vocal Remover, TimeStretch (Pitch/Tempo Adjustment, Audio Splicing)
- Data & Productivity:** Excel/Google Sheets (Formulas, Pivot Tables, Analytics), PowerPoint
- IT & Hardware:** Hardware Diagnostics, iOS/Device Troubleshooting, FileZilla (FTP)
- AI Tools:** ChatGPT, Claude, Copilot, Gemini, Grok
- Certifications:** Gemini Enterprise Agent Ready Badge - Google (2026), Claude 101 - Anthropic (2026), Claude Academy: AI Capabilities and Limitations - Anthropic (2026)
